

FINE ITALIAN CHOCOLATE SINCE 1903

Chocolate bars

Chocolate
bars

Precious cocoa beans and fragrant hazelnuts from our hills, accurately selected in their lands of origin, are roasted directly at the Novi plant with state-of-the-art technologies.

Nocciolato

Gran Nocciolato Gianduja, the Novi hazelnut chocolate par excellence, unique and unparalleled, derives from the combination of pure Gianduia chocolate, already rich in fine hazelnut paste, and the whole hazelnuts from our hills, selected in their original land and roasted until browning at the Novi plant.

The Nocciolato Gianduja range is integrated by three specialties with excellent whole hazelnuts, pride of Novi: Nocciolato Fondente, for those who love extra plain chocolate; Nocciolato Bianco, for those who prefer the delicate taste of white chocolate; Nocciolato al Latte, the most recent one, with the classic Novi extra fine milk chocolate.

Nocciolato Novi, the leader in Italy.

Specialità

Fine chocolate bars, each with a unique flavour, resulting from an exclusive mix of the best cocoa varieties enriched with high quality ingredients.

White, Noisette, extra fine milk chocolate with hazelnut flakes, the "special reserve" Cremoso al Latte added with cream, Gianduja Novi, the most popular classic chocolate with finely grind hazelnuts in Italy and Fondentenero Novi, the chocolate bar with the highest cocoa content preferred by Italians.

Classiche

Classic milk chocolate with 30% of fine cocoa and extra plain chocolate with a strong flavour and 50% of the best African and Central American cocoa varieties.

Extra fine milk and extra plain NOVIBLOC: portionable squares, ideal also to make sweets.

Nero Nero

Elegant cases containing the unique taste of extra plain chocolate.

Two "blended" plain chocolates with 88% and 99% of origin selected cocoa.

Terre del Cacao: three plain chocolates, each produced only with cocoa of a single origin.

Three unique tastes. The intensively aromatic taste of Ecuador, 75% cocoa; the extra fine, spicy and strong bitter taste of Venezuela, 80% cocoa; the delicate bitter taste of Ghana, 70% cocoa.

Novipiù
